

Notice of virtual annual general meeting

Notice is hereby given in terms of the Companies Act 71 of 2008, as amended (the Act), that the 107th annual general meeting of Naspers Limited (the company or Naspers) will be held (subject to any adjournment or postponement) on Wednesday, 25 August 2021, at 14:00 (SAST). The annual general meeting will be conducted entirely, and be accessible by shareholders, through electronic communication as envisaged.

Electronic participation by shareholders

Given the various regulations in place as a result of Covid-19 requiring that social distancing be adhered to and the number of persons allowed at gatherings be limited, the annual general meeting will be conducted entirely through electronic communications as envisaged in the Act.

To this end, the company has retained the services of The Meeting Specialist Proprietary Limited (TMS) to remotely host the annual general meeting on an interactive electronic platform, in order to facilitate remote participation and voting by shareholders. Our transfer secretaries, JSE Investor Services Proprietary Limited, will act as scrutineer. Shareholders are strongly encouraged to submit votes by proxy before the annual general meeting.

Should any shareholder (or representative or proxy for a shareholder) wish to participate in the annual general meeting electronically, that shareholder should apply in writing (including details on how the shareholder or representative (including proxy) can be contacted) to TMS, via email at proxy@tmsmeetings.co.za and at the address below, to be received by TMS at least seven (7) business days prior to the annual general meeting (ie Friday, 13 August 2021) for TMS to arrange for the shareholder (or representative or proxy) to provide reasonably satisfactory identification to the transfer secretaries for the purposes of section 63(1) of the Act and for TMS to provide the shareholder (or representative or proxy) with details on how to access the annual general meeting by means of electronic participation. The written

notification, a form of which is enclosed with this notice of virtual annual general meeting, should contain the following:

- A certified copy of the shareholder's identification document or passport if the shareholder is an individual.
- A certified copy of a resolution or letter of representation given by the shareholder if the shareholder is a company or juristic person, and certified copies of identity documents or passports of the persons who passed the resolution.
- A valid email address and/or mobile phone number.
- An indication that you or your proxy not only wishes to attend the meeting by means of electronic communication, but also to participate and vote by means of electronic communication.

Such participants, who have complied with the notice requirement above, will be contacted between Friday, 13 August 2021 and Monday, 23 August 2021, via email/mobile phone and will be provided with the relevant connection details as well as the passcodes through which you or your proxy(ies) can participate via electronic communication and will be advised of the process for participation via a unique link to the email/mobile phone number provided in the notification. Shareholders who are fully verified (as required under the Act and outlined above) and subsequently registered at the commencement of the annual general meeting will be able to participate in and/or vote by electronic communication.

Should you wish to participate by way of electronic communication, you will be required to connect with the details as provided by the company by no later than 15 minutes prior to the commencement of the annual general meeting during which time registration will take place.

If you choose to participate you will be able to view a live webcast of the annual general meeting, and ask directors questions and submit your votes in real time.

For administrative purposes, and in order to participate and vote, completed notices for electronic participation must be received by TMS via email at proxy@tmsmeetings.co.za before 14:00 (SAST) on Monday, 23 August 2021.

The record date for the meeting (being the date used to determine which shareholders are entitled to participate in and vote at the meeting) is Friday, 13 August 2021. Votes at the annual general meeting will be taken by way of a poll and not on a show of hands.

A shareholder entitled to attend and vote at the meeting is entitled to appoint a proxy to attend, participate in and vote at the meeting in their place. A proxy need not be a shareholder of the company.

Before any person may attend or participate in a shareholders' meeting, they must present reasonably satisfactory identification and the person presiding at the meeting must be reasonably satisfied that the right of that person to participate and vote, either as a shareholder or as proxy for a shareholder, has been reasonably verified. Forms of identification include a valid identity document, driver's licence and passport.

Holders of dematerialised shares, other than 'own name' dematerialised shareholders, who wish to vote at the virtual annual general meeting, must instruct their central securities depository participant (CSDP) or broker accordingly in the manner and cut-off time stipulated by their CSDP or broker.

Holders of dematerialised shares, other than 'own name' dematerialised shareholders, who wish to attend the virtual annual general meeting in person (through electronic communication), need to arrange the necessary authorisation as soon as possible through their CSDP or broker.

Notice of virtual annual general meeting continued

A shareholder may appoint a proxy at any time. For practical purposes, the form appointing a proxy and the authority (if any) under which it is signed, must reach TMS, via email to proxy@tmsmeetings.co.za, or the transfer secretaries of the company (JSE Investor Services Proprietary Limited, 13th Floor, 19 Ameshoff Street, Braamfontein 2001 or PO Box 10462, Johannesburg 2000) by no later than 14:00 (SAST) on Monday, 23 August 2021, to allow time to process the proxy. Should you hold Naspers A ordinary shares, the signed form of proxy must reach the registered office of the company by 14:00 (SAST) on Monday, 23 August 2021, to allow for processing. A form of proxy is enclosed with this notice. The form of proxy may also be obtained from the registered office of the company or on the company website as a separate PDF download in the 2021 integrated annual report available under the investors section. All other proxies must be provided to the company secretary before the proxy exercises any rights of the shareholder at the meeting.

The purpose of the meeting is to:

- consider and, if deemed fit, adopt with or without amendment, the resolutions set out below; and

3. To reappoint, on the recommendation of the company's audit committee, the firm PricewaterhouseCoopers Inc. as independent registered auditor of the company (noting that Mrs V Myburgh is the individual registered auditor of that firm who will undertake the audit) for the period until the next annual general meeting of the company.

The board and nomination committee unanimously recommend that the re-election of each of the directors in terms of resolution number 5 be approved by shareholders of the company. 6. To appoint audit committee members as required in terms of the Act, the JSE Listings Requirements and as recommended by the King Report on Corporate Governance for South Africa 2016 (King IV) (Principle 8). Collectively, they have a comprehensive understanding of financial reporting, internal financial controls, risk management and governance processes in the company, as well as International Financial Reporting Standards (IFRS) and other regulations and guidelines applicable to the company. They keep up to date with developments affecting their required skill sets. Their abridged curricula vitae appear on pages 99 and 100. The appointment of members of the audit committee will be conducted by way of a separate vote for each individual. Each voting right entitled to be exercised may be exercised once.

7. To endorse the company's remuneration policy, as set out in the 2021 remuneration report on pages 118 to 125, by way of a non-binding advisory vote. Should this resolution not be supported by at least 75% of the voting rights entitled to be exercised on this resolution, the company will take the necessary measures to engage with shareholders.

9. To place the authorised but unissued share capital of the company under the control of directors and to grant, until the conclusion of the next annual general meeting of the company, an unconditional authority to directors to allot and issue at their discretion (but subject to the provisions of the Act and the JSE Listings Requirements, and the rules of any other exchange on which the shares of the company may be quoted or listed from time to time, and the memorandum of incorporation of the company), the unissued shares of the company, on such terms and conditions and to such persons, whether they be shareholders or not, as the directors in their discretion deem fit.

As a result of the non-executive directors assuming these dual responsibilities, the proposed fees will be split between Naspers and Prosus, on a 30/70 basis.

2 The chair of Prosus does not receive additional remuneration for attending meetings or being a member of or chairing any committee of the board.

Special resolutions

The special resolutions set out below require the support of at least 75% of votes exercised by shareholders present or represented by proxy at the annual general meeting to be adopted.

Special resolutions numbers 1.1 to 1.13

At the virtual annual general meeting on 21 August 2020, shareholders approved an increase of up to 5% year on year for fees for directors, the chair of the board, committee members, the chairs of committees and trustees of group share schemes and other personnel funds for the year ended 31 March 2022. Given the impact of Covid-19, the board decided not to increase fees for the financial year ended 31 March 2021, but sought approval from shareholders to defer their previous decision and apply it to the financial year ending on 31 March 2022.

Accordingly, approval for the increase of the remuneration of non-executive directors for the year ending 31 March 2023 of up to a 5% on the fees earned for the year ending 31 March 2022 is being sought as set out in the table above.

The reason for and effect of special resolution numbers 1.1 to 1.13 is to grant the company the authority to pay remuneration to its directors for their services as directors.

Each of the special resolution numbers 1.1 to 1.13, in respect of the proposed remuneration for the financial year ending 31 March 2023, will be considered by way of a separate vote.

Special resolution number 2

That the board may authorise the company to generally provide any financial assistance in the manner contemplated in and subject to compliance with the requirements of the memorandum of incorporation of the company and the provisions of section 44 of the Act to a director or prescribed officer of the company or of a related or interrelated company or corporation (irrespective of where any such entity may be incorporated), subject to (ii) below, or to a related or interrelated company or corporation, or to a member or shareholder of a related or interrelated company or corporation, pursuant to the authority hereby conferred upon the board for these purposes by the shareholders. This authority shall: (i) include and also apply to the granting of financial assistance to the Naspers share incentive scheme, the other existing group share-based incentive schemes (details of which appear on pages 148 and 149 in the annual financial statements) and such group share-based incentive schemes that are established in future (collectively the Naspers group share-based incentive schemes) and participants thereunder (which may include directors, future directors, prescribed officers and future prescribed officers of the company or of a related or interrelated company) (participants) for the purpose of, or in connection with, the subscription of any option, or any securities, issued or to be issued by the company or a related or interrelated company, or for the purchase of any securities of the company or a related or interrelated company, pursuant to the administration and implementation of the Naspers group share-based incentive schemes, in each instance on the terms applicable to the Naspers group share-based incentive scheme in question; and (ii) be limited, in respect of directors and prescribed officers, to financial assistance in relation to the acquisition of securities as contemplated in (i).

The reason for and effect of special resolution number 2 is to authorise the directors generally to approve the provision of financial assistance by the company to the potential participants and/or recipients as set out in the resolution and in particular to facilitate participation under the Naspers share-based incentive schemes and other Naspers group share-based incentive schemes.

Special resolution number 3

That the company, as authorised by the board, may generally provide, in terms of and subject to compliance with the requirements of the memorandum of incorporation of the company and the provisions of section 45 of the Act, any direct or indirect financial assistance to a related or interrelated company or corporation, or to a shareholder of a related or interrelated company or corporation (irrespective of where any such entity may be incorporated), pursuant to the authority hereby conferred upon the board for these purposes.

The reason for and effect of special resolution number 3 is to authorise the directors generally to approve the provision of financial assistance by the company to the potential recipients as set out in the resolution.

Special resolution number 4

That the company or any of its present or future subsidiaries be and are hereby authorised to acquire N ordinary shares issued by the company from any person (including any director or prescribed officer of the company or any person related to any director or prescribed officer of the company on such terms and conditions as may be determined by the directors from time to time, subject to compliance with the applicable requirements of the memorandum of incorporation of the company, the provisions of the Act and of the JSE Listings Requirements. It is recorded that the company or a subsidiary may only make a general repurchase of N ordinary shares in the company subject to the following (which reflects the current requirements under the JSE Listings Requirements):

- Any such acquisition of N ordinary shares will be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the company and the counterparty.
- This general authority will be valid until the earliest of the company's next annual general meeting, or a period not exceeding fifteen (15) months from the date of the passing of this special resolution.
- An announcement will be published as soon as the company or any of its subsidiaries have acquired N ordinary shares constituting, on a cumulative basis, 3% of the number of N ordinary shares in issue prior to the acquisition, pursuant to which the aforesaid 3% threshold is reached, and for each 3% in aggregate acquired thereafter, containing full details of such acquisitions.
- Acquisitions of N ordinary shares in aggregate in any one financial year may not exceed 20% of the company's N ordinary issued share capital as at the date of the passing of this special resolution.
- In determining the price at which N ordinary shares issued by the company are acquired by it or any of its subsidiaries in terms of this general authority, the maximum premium at which such N ordinary shares may be acquired will not exceed 10% of the weighted average of the market value at which such N ordinary shares are traded on the JSE as determined over the five (5) business days immediately preceding the date of repurchase of such N ordinary shares by the company or any of its subsidiaries.
- At any point, the company may only appoint one agent to effect any repurchase on its behalf.
- The company and/or its subsidiaries may not repurchase any N ordinary shares during a prohibited period as defined by the JSE Listings Requirements, unless a repurchase programme is in place where dates and quantities of shares to be traded during the prohibited period are fixed, and full details of the programme have been submitted to the JSE in writing prior to the start of

Notice of virtual annual general meeting continued

the prohibited period. The company will instruct an independent third party, which makes its investment decisions in relation to the company's securities independently of, and uninfluenced by, the company, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE.

- Authorisation for the repurchase is given by the company's memorandum of incorporation.

A resolution, having been passed by the board, authorising the repurchase, and confirming that the company and its subsidiaries passed the solvency and liquidity test and that, from the time that the test was done, there have been no material changes to the financial position of the group. Before the general repurchase is effected, the directors, having considered the effects of the repurchase of the maximum number of N ordinary shares in terms of the foregoing general authority, will ensure that for a period of twelve (12) months after the date of the notice of the annual general meeting:

- The company and the group will be able, in the ordinary course of business, to pay their debts.
- The assets of the company and the group will exceed the liabilities of the company and the group.
- The company and the group's ordinary share capital, reserves and working capital will be adequate for ordinary business purposes.

Additional information on the following appears in the integrated annual report and in the annual financial statements, and is provided in terms of the JSE Listings Requirements for purposes of the general authority:

- Major shareholders
- Share capital of the company

Directors' responsibility statement

The directors, whose names appear in the integrated annual report, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution number 4 and certify that, to the best of their knowledge and belief, there are no facts that have been omitted that would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that special resolution number 4 contains all information required by the applicable JSE Listings Requirements.

Material changes

Other than the facts and developments disclosed in the integrated annual report and annual financial statements, except for the purposes of the group's share-based incentive schemes, there have been no material changes in the affairs or financial position of the company and its subsidiaries between the date of signature of the audit report to the date of this notice.

The directors have no specific intention, at present, for the company to repurchase any of its N ordinary shares, but believe that such a general authority should be put in place in case an opportunity presents itself during the year, which is in the best interests of the company and its shareholders.

The reason for and effect of special resolution number 4 is for shareholders to grant the company the general authority in terms of the Act and JSE Listings Requirements for the acquisition by the company, or any present or future subsidiary of the company, of the company's issued N ordinary shares.

Special resolution number 5

That the company or any of its present or future subsidiaries be and is hereby specifically authorised, for a period until the earlier of the next annual general meeting or fifteen (15) months from the date of adoption of this resolution, to acquire up to 10% of the number of issued N ordinary shares as at the date hereof (being 43 551 105), through structured repurchase mechanisms implemented by or on behalf of the company or any of its present or future subsidiaries, including through a modified Dutch auction process and/or reverse bookbuild process (as described below), from holders of N ordinary shares at the time of implementing any such repurchase (including any director or prescribed officer of the company or any person related to any director or prescribed officer of the company) but not exclusively from a single Naspers shareholder or related party (as envisaged in the JSE Listings Requirements) at a price to be determined through such structured repurchase mechanisms but which price shall not exceed the higher of:

- 10% above the weighted average of the market value of the N ordinary shares for the five (5) trading days immediately preceding the date on which the structured repurchase mechanism is implemented, and
- 10% above the spot price of the N ordinary shares on the date on which the structured repurchase mechanism is implemented (Specific Repurchase Authorisation). Any repurchase under the Specific Repurchase Authorisation will be implemented on such terms and conditions as may be determined by the directors from time to time, subject to compliance with the applicable requirements of the memorandum of incorporation of the company, the Act and the JSE Listings Requirements, which currently include the following:
 - Authorisation for the repurchase is given by the company's memorandum of incorporation.

- If the company has announced that it will make a specific repurchase, it must pursue the proposal, unless the JSE permits the company not to do so.
- The company or a subsidiary may not repurchase securities during a prohibited period (as defined in the JSE Listings Requirements) unless they have in place a repurchase programme where the dates and quantities of securities to be traded during the relevant period are fixed (not subject to any variation) and have been submitted to the JSE in writing prior to the commencement of the prohibited period. The company must instruct an independent third party, which makes its investment decisions in relation to the issuer's securities independently of, and uninfluenced by, the company, prior to the commencement of the prohibited period to execute the repurchase programme submitted to the JSE.

The company will comply with the applicable provisions of the Act and the JSE Listings Requirements prior to implementing any repurchase in terms of the Specific Repurchase Authorisation. In particular, the board will comply with the applicable requirements of section 48 of the Act read with section 4 of the Act and the board will, in its approval of any repurchase that is to be implemented under the Specific Repurchase Authorisation, confirm that:

- The company and the Naspers group will be able in the ordinary course of business to pay their debts for a period of twelve (12) months after the date of any such board approval.
- The assets of the company and the Naspers group will be in excess of the liabilities of the company and the Naspers group for a period of twelve (12) months after the date of any such board approval.

Notice of virtual annual general meeting continued

- The working capital of the company and the Naspers group will be adequate for ordinary business purposes for a period of twelve (12) months after the date of any such board approval.

Additional information in respect of the major shareholders, share capital of the company and directors' interests in the company appear in the integrated annual report and annual financial statements of the company and is provided in terms of the JSE Listings Requirements for purposes of the Specific Repurchase Authorisation. The company has not incurred any preliminary expenses as envisaged in the JSE Listings Requirements in relation to the Specific Repurchase Authorisation as at the date hereof.

Material changes

Other than the facts and developments reported on in the integrated annual report and annual financial statements, except for the purposes of the group's share-based incentive schemes, there have been no material changes in the affairs or financial position of the company and its subsidiaries since the date of signature of the audit report and up to the date of this notice.

Directors' responsibility statement

The directors, whose names appear in the list of directors contained in the integrated annual report, collectively and individually accept full responsibility for the accuracy of the information pertaining to this special resolution number 5 and certify that, to the best of their knowledge and belief, there are no facts that have been omitted that would make any statement false or misleading, and that all reasonable enquiries to ascertain such facts have been made and that special resolution number 5 contains all information required by the applicable JSE Listings Requirements.

The reason for and effect of special resolution number 5 is to grant the company the authority, in terms of the JSE Listings Requirements and the Act, as applicable, to acquire N ordinary shares through structured mechanisms on an expedited basis

(despite the Specific Repurchase Authorisation being valid until the earlier of the next annual general meeting or fifteen (15) months from the date of adoption of the resolution) including through a modified Dutch auction process and/or a reverse bookbuild process. The Specific Repurchase Authorisation is intended to provide the company with additional flexibility and thus enable the board to drive shareholder value. Should the board determine to implement any structured repurchase in terms of the Specific Repurchase Authorisation, any structured repurchase implemented will involve the company announcing the ambit of any proposed structured repurchase, including the number of N ordinary shares to be acquired in terms of such structured repurchase within the parameters set in the Specific Repurchase Authorisation. The structured repurchase will then be open for a period of time for all holders of N ordinary shares to tender shares in terms of the structured repurchase proposed, which offer period will be open for sufficient time to allow all holders of N ordinary shares to participate in the structured repurchase. Thereafter, a clearing price will be determined by the company for any such structured repurchase having regard to tenders received that allows the company to acquire the number of N ordinary shares proposed to be repurchased. The Specific Repurchase Authorisation is separate from and in addition to the general authority proposed for approval in special resolution number 4 and any repurchase made under this Specific Repurchase Authorisation (if granted) will not affect any authority granted under special resolution number 4.

Special resolution number 6

That the company or any of its present or future subsidiaries be and are hereby authorised to acquire A ordinary shares issued by the company from any person (including any director or prescribed officer of the company or any person related to any director or prescribed officer of the company), in terms of and subject to compliance with the requirements of the memorandum of incorporation of the company and the provisions of the Act.

The reason for and effect of special resolution number 6 is for shareholders to grant the company the authority in terms of the Act for the acquisition by the company, or any present or future subsidiary of the company, of the company's A ordinary shares.

Material changes

Other than the facts and developments reported on in the integrated annual report and annual financial statements, except for the purposes of the group's share-based incentive schemes, there have been no material changes in the affairs or financial position of the company and its subsidiaries since the date of signature of the audit report and up to the date of this notice.

Ordinary resolution

11. Each of the directors of the company or the company secretary is hereby authorised to do all things, perform all acts and sign all documentation necessary to effect the implementation of the ordinary and special resolutions adopted at the annual general meeting.

Other business

To transact such other business as may be transacted at an annual general meeting.
