Financial Results
For the six months ended September 2019
This report contains forward-looking statements as defined in the United States Private Securities Litigation Reform Act of 1995. Words such as “believe”, “anticipate”, “intend”, “seek”, “will”, “plan”, “could”, “may”, “endeavor” and similar expressions are intended to identify such forward-looking statements, but are not the exclusive means of identifying such statements.

By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances and should be considered in light of various important factors. While these forward-looking statements represent our judgments and future expectations, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations. The key factors that could cause our actual results performance, or achievements to differ materially from those in the forward-looking statements include, among others, changes to IFRS and the interpretations, applications and practices subject thereto as they apply to past, present and future periods; ongoing and future acquisitions, changes to domestic and international business and market conditions such as exchange rate and interest rate movements; changes in the domestic and international regulatory and legislative environments; changes to domestic and international operational, social, economic and political conditions; the occurrence of labour disruptions and industrial action and the effects of both current and future litigation.

We are not under any obligation to (and expressly disclaim any such obligation to) revise or update any forward-looking statements contained in this report, whether as a result of new information, future events or otherwise. We cannot give any assurance that forward-looking statements will prove to be correct and investors are cautioned not to place undue reliance on any forward-looking statements contained herein.

Nothing in this document is intended as a profit forecast or estimate for any period and no statement in this document should be interpreted to mean that cash flow from operations, income of persons (where relevant), earnings or earnings per share or dividend per share for any company, for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share or dividend per share for any company.

The information set out in this document and any discussion which follows it does not constitute, or form part of, a public offer for the purposes of any applicable law, an offer to sell, invitation, inducement or solicitation of any offer to buy, otherwise acquire, subscribe for, exchange, sell or otherwise dispose of or exercise rights in respect of any securities or financial instruments, or any advice or recommendation in relation to any such financial instruments or securities.

No offer to acquire securities or to exchange securities for other securities has been made, or will be made, directly or indirectly, in or into, or by the use of the mails of, or by any means or instrumentality of interstate or foreign commerce or any facilities of a national securities exchange of, the United States or any other country in which such offer may not be made other than: (i) in accordance with the tender offer requirements under the U.S. laws, including the Exchange Act of 1934, or the securities laws of such other country, as the case may be; or (ii) pursuant to an available exemption from such requirements.

Neither this presentation nor any copy of it may be taken or transmitted into any jurisdiction where the availability and/or receipt of this presentation would breach any applicable law, or to any person in any such jurisdiction. Any failure to comply with these restrictions may constitute a violation of the securities laws of the respective jurisdiction. The distribution of this presentation in such jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about, and observe, any such restrictions. To the fullest extent permitted by applicable law, Prosus disclaims any responsibility or liability for the violations of any such restrictions by any person.

1 Prosus made a cash offer to acquire the entire issued and to be issued ordinary share capital of Just Eat in October 2019. The transaction is subject to certain conditions, including regulatory approval in Spain and shareholders of Just Eat accepting the offer from Prosus over the competing bid from Takeaway.com. Iyzico was announced in 1H FY20 but is still subject to regulatory approval.
Proposed acquisition to strengthen Food Delivery portfolio

Proposed cash offer (the “Offer”) for Just Eat of 710 pence per share - £4.9bn transaction value

The offer presents a compelling proposition at a certain value

Acceptance threshold of 75% of the Just Eat Shares

Funded by a bridge loan facility, we remain committed to an investment grade rating as an issuer of capital markets debt

Committed to delivering a good return

1 Proposed cash offer (the “Offer”) for Just Eat of 710 pence per share - £4.9bn transaction value. Prosus made a cash offer of £4.9bn to acquire the entire issued and to be issued ordinary share capital of Just Eat. The transaction is subject to certain conditions, including regulatory approval in Spain and shareholders of Just Eat accepting the offer from Prosus over the competing bid from Takeaway.com N.V.

2 Pursuant to the UK Takeover Code, this is the last date either bidder may revise its offer, if at all, without the need for Panel consent, and provided that offer has not lapsed.

Food Delivery has evolved beyond simply connecting restaurants and customers. We are investing to transform all aspects of the supply chain from how food is sourced, to how it is prepared and ultimately consumed.

\(^1\) Results reported on an economic-interest basis, i.e. equity-accounted investments are proportionately consolidated. Year-on-year growth shown in local currency, excluding M&A. FY18 and FY19 results are based on the Combined Carve-out Financial Statements included in the Listing Prospectus of Prosus.
